INSANE DEDICATION TO PERFORMANCE™

"ARMED WITH THE DEMARINI VEXXUM, OUR PLAYERS ARE HITTING THE LONGEST BALLS PACKARD STADIUM HAS EVER WITNESSED."

COACH PAT MURPHY
ARIZONA STATE BASEBALL

HALF><HALF

Half & Half™ combines a composite handle with an aluminum alloy barrel. Virtually indestructible, the two-piece system flexes before impact, exploding with a burst of ball-launching energy. Our patented Half & Half™ system is now tuned for maximum POWER, FLEX & FEEL.

NEW!

VEXXUM SINGLEWALL HALF & HALF BESR CERTIFIED

BESR CERTIFIED · FLEX TUNED · HALF><HALF · TTT TECHNOLOGY · DX·1 ALLOY · LONGBARREL

NEW! Thickness Tuned Barrel design for the biggest sweet spot in baseball. Engineered for aggressive college and high-school play, the Vexxum combines a Flex-Tuned composite handle with a battle-tested DX·1 Alloy barrel that is 10% more durable. The Vexxum -3 has fast become the favorite of top college programs including Arizona State and New Mexico State.

-3 -5 -8.5 -13.5

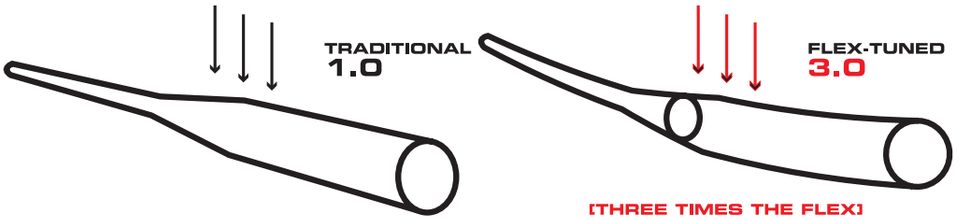
"WE'RE VERY PLEASED WITH THE VEXXUM'S UNMATCHED DURABILITY"

COACH
ROCKY WARD
NEW MEXICO
STATE BASEBALL

UNDERSTANDING THE FLEX-TUNED RATING SYSTEM

FLEX TUNED™

To help players pick the right tool for the job, DeMarini devised the Flex-Tuned rating system. The adult Vexxum -3, for instance, is a Flex-Tuned 3.0. This means the Vexxum -3 is approximately three times more flexible than a conventional, all-aluminum bat in its class. The important thing to remember is that the Flex Tuned rating system is intended for comparing bats within a single class, be it adult, senior youth or youth.



[THREE TIMES THE FLEX]

F2 DOUBLEWALL HALF & HALF YOUTH LEAGUES

FLEX TUNED · HALF><HALF · DX·1 ALLOY · DOUBLEWALL · n2m™ · ROTATION INDEX · Posiback™

The F2 combines a Flex-Tuned composite handle with a hyper-responsive Doublewall DX·1 barrel. When two walls come together, the competition comes unglued. This is the bat that DOMINATED the 2003 Little League World Series.

NEW!

RAVEN HALF & HALF YOUTH LEAGUES

HALF><HALF · n2m™ · ROTATION INDEX · Posiback™ · C405™

Exceptionally light and responsive, the -11 Raven combines a composite handle with a C405 Longbarrel for unmatched Half & Half performance and value.

IS YOUR LEAGUE OR ORGANIZATION IN NEED OF SERIOUS FUNDRAISING?

IF YOUR ANSWER IS "YES," THEN OUR FUNDRAISING SYSTEM MAY BE THE TOTAL SOLUTION FOR YOUR FINANCIAL WOES.

The John Benko BAT-A-THON® Fundraising System is a complete A to Z system intended as a long term solution to financial problems for youth baseball/softball house leagues, ages 12 and under. (Not intended for travel teams or ages 13 and over.)

Last season we acquired ten new clients. Check out their actual gross dollar results:

Bowling Green, KY	13 Teams	$24,352	Great Falls, VA	16 Teams	$33,213
Charlottesville, VA	15 Teams	$17,707	Landsdowne, PA	20 Teams	$20,319
Aston, PA	27 Teams	$21,299	Glen Burnie, MD	11 Teams	$ 4,555
Fairless Hills, PA	17 Teams	$13,238	Broomall, PA	10 Teams	$12,836
Willits, CA	19 Teams	$28,389	Hastings, NE	12 Teams	$ 9,926

You'll have a hard time finding another fundraiser that can claim:

- Coaches love it.
- Parents love it.
- Players can't wait to be involved.
- 85% to 90% of all funds generated go back to your league as cash and great incentive prizes for your players

"You can't make a lot of money by just passing some fundraising idea to an untrained Board Member. John's (Benko) BAT-A-THON® System tells you the when for everything and teaches you the how. We now have over $250,000 in our capital fund for baseball and softball."

Phil Goetkin – The Herndon Optimist Club – Herndon, VA

TERMS AND CONDITIONS

PRICING
No employee, sales representative or other party is authorized to change pricing and other terms and conditions of sale. All prices are subject to change without notice. Orders will be invoiced at pricing prevailing at the time of shipment. Prices are not guaranteed. Partial shipment of an order shall not bind to deliver remainder of the order at the same prices. New York State residents are required to pay sales tax.

TERMS OF SALE
All products are sold FOB shipping point, unless specifically noted otherwise. All orders are prepaid unless you are an established account or have signed purchase orders from an accredited funding institution. All shipments are made to the billing address of record. For individual orders we will accept MasterCard, Visa, Discover (Novus) or American Express cards, money orders or personal checks. We do not accept debit cards. Orders paid for by personal check are held for 10 business days from receipt of check for bank clearing purposes. To expedite your order we suggest you send either a money order or certified check.

HOW TO ORDER
Orders will be accepted by mail or phone, 8 am to 5 pm EST, Monday through Friday, 800-327-0074. Fax orders accepted 24 hours a day. Fax Number: 845-336-4593.

When ordering, please indicate stock number, size and color and include any other pertinent facts that might be needed. If payment for invoices is made by purchase order number, include that number when placing the order. Please do not duplicate orders. If a purchase order is sent after placing the order by phone, be sure it is clearly marked "**CONFIRMING COPY ONLY**". If this is not done, the order will be double shipped, creating additional expense. Be sure to tell your salesperson if you are affiliated with a particular organization. To check on the status of an order, call our Customer Service Department at 845-336-4024.

DELIVERY INFORMATION
Delivery charges, except for heavy items, will be approximately 10% of your total bill for orders shipped regular UPS ground and shipped within the 48 states. We will ship UPS Next Day Air or 2nd Day Air for an additional charge. Do not sign for goods damaged in transit unless properly noted. All claims must be filed with carrier.

PACKING ERRORS
Packing errors must be reported in writing within ten (10) days of receipt of the shipment. Adjustments can be made only if reported within ten (10) days to the Customer Service Department.

CANCELLATIONS
SPECIAL ORDER MERCHANDISE IS NOT CANCELABLE once the order is placed. It is non-refundable. Equipment orders may be cancelled if the order has not been shipped. Call 845-336-4024 to cancel orders. If it has been shipped and you wish to return it, you will be responsible for the shipping charges both ways.

LIMIT OF LIABILITY
All merchandise contained in our catalogs is sold under the condition that we cannot guarantee the user freedom from injury. The user assumes all risks related to the use for the merchandise and no company representative can waive or change this condition. Product specifications in the catalog are subject to changes in production.

LIMITED WARRANTY
ANACONDA SPORTS INC. will warranty merchandise in accordance with manufacturer's warranty against defects in materials and workmanship. Products are not guaranteed against misuse or care. All goods damaged in transit are the responsibility of the carrier. For further information or inquiries, please contact Customer Service at 845-336-4024.

RETURNS AND CLAIMS POLICY
Returns are not accepted, except when approved in advance by the "Returns Department". All returns are subject to a 15% restocking charge. Requests for return of goods must be received within thirty (30) days of the invoice date. All authorized returns require a Return Authorization Number. This number must be clearly marked on the outside of the shipping carton. Any packages returned without bearing the authorization number will be returned at the customer's expense. Special order merchandise and lettered merchandise is not returnable. No refunds or exchanges will be made outside the warranty period. All damaged merchandise is returned directly to the manufacturers. Toll free numbers are available from our Customer Service department.

Liquidmetal® Total Shell Technology for the latest in Pure Energy Transfer™.

If you thought Rawlings® original Liquidmetal bat was a monster, you ain't seen nothin' yet! Born of technology perfected at the prestigious California Institute of Technology, Rawlings® Liquidmetal 2 bats deliver a Pure Energy Transfer unequaled by any bat. In simple terms, the ball explodes off the bat with a force and velocity unlike anything ever before seen-because more energy is delivered to the ball and not lost in the bat.

Liquidmetal alloy's amorphous atomic structure is 2.5 times stronger than titanium. This structure does not deform on impact, delivering 29% more power to the ball and maximum explosiveness for your swing.

Liquidmetal 2 now features Full Length Liquidmetal Shell Technology for maximum performance and durability.
